

For all of our sponsors, players and friends of Hoops in the Highlands –

Just like you, Hoops leadership has been actively following the Covid-19 developments and how it could potentially directly impact our beloved community fundraiser and all of the wonderful people that generously sponsor, plan, and participate in it.

At this time, based on the very recent information from Dallas County, we are so very sad to say that we feel like the safest decision for our community is to cancel the event. This event is a labor of love for so many people. And was created to provide funds to six Lake Highlands area schools and care for our community. The best way we know how to care for this community right now is to keep everyone as safe as we can. Please know that this decision was not made lightly. Due to permitting and planning issues, we are not able to reschedule the event. All registration fees will be considered donations to our area schools and are non-refundable as stated on the registration form. Please see the website, www.hoopsinthehighlands.net, for future posts about distribution of player bags that contain Tshirts, water bottles and sponsor swag. We are disappointed, yet grateful for all of the support that Hoops has received up until now.

We love and appreciate our Lake Highlands community and pray for the safety and health of everyone. We hope to see you at Hoops 2021!
